

FPCB – Flexible Printed Circuit Boards

Electronics.

Customer benefits:

- High performance pure acrylic adhesive
- High resistance of temperature, solvents, ageing and UV-radiation
- Bonding between electrical components and circuit board
- High precision die-cut
- Excellent chemical resistance according to Finat 17 FTM 1
- High electrical insulating properties
- Low thermal conductivity, high temperature conductivity good thermal connection

Products:

- DuploCOLL® 15060 HCR
- DuploCOLL® 15100 HCR
- DuploCOLL® 15250 HCR
